

Dear Friends of Klickitat Valley Health,

The KVH Memorial Foundation exists to promote the health and health education of the Greater Goldendale community.

If you've ever been a visitor at KVH when the LifeFlight Helicopter arrived, you know that something needs to change. You might appreciate the project that has been identified as the 2014 area of greatest need:

***The relocation and construction of a new LifeFlight Helipad to a safer location. Cost: \$203,000***

Every dollar earned contributes to the larger goal of the Memorial Foundation, but it is through generous sponsorships that enable us to more rapidly advance healthcare in our rural town. **Your tax deductible gift, auction item or sponsorship** will help to ensure the safe and timely arrival of LifeFlight for any patient requiring immediate, emergency transport via helicopter. Please consider supporting the Klickitat Valley Health Memorial Foundation and this worthy project today.

In Health and Wellness,

  
**Greg Smith, President, KVHMF**

  
**Leslie Hiebert, CEO, KVH**
